See why teams choose Lucidchart

Real-time collaboration

Cloud-based mind mapping allows you to work with anyone from anywhere so you can build the future, faster.

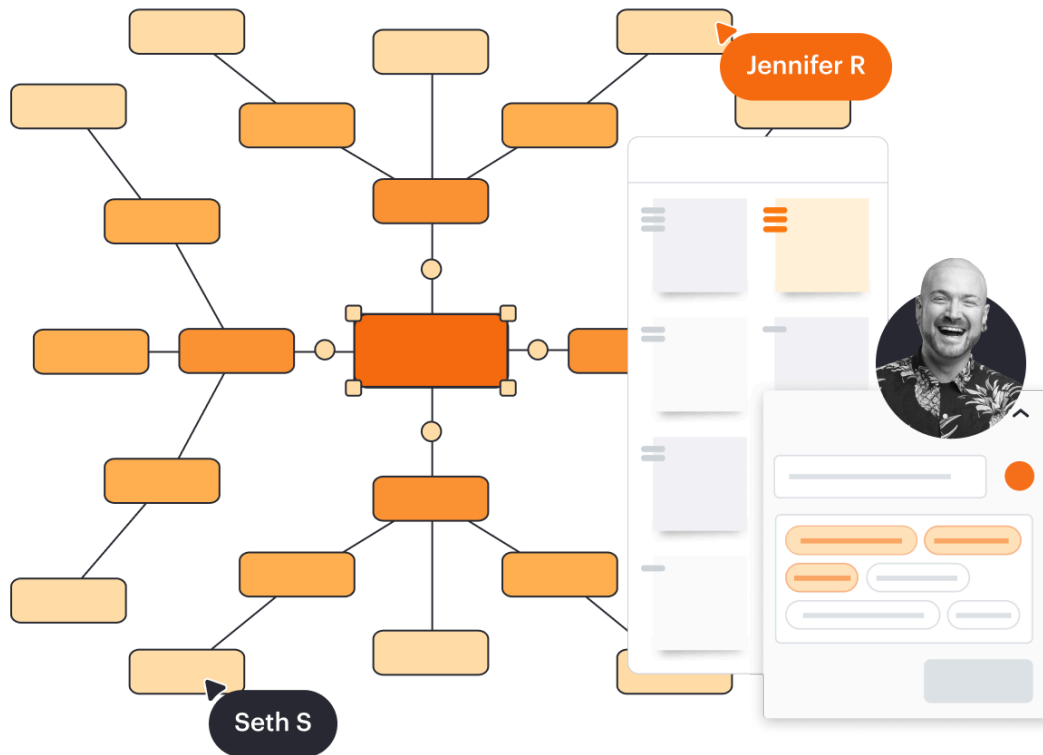

[Learn more](#) →

Mind maps done right

Easily capture and organize your thoughts with drag-and-drop shapes and lines. Use AI to generate or expand on ideas, and collapse or expand branches for a clean design.

Try it now →

Elevated brainstorming sessions

Add and connect ideas freely in a flexible structure that enables out-of-the-box thinking.
